

## EXPERIENCE

### PROJECTS AT WOLF MOUNTAIN, Grass Valley, CA —

Graphic Design, Video Production

MAY 2019 - AUGUST 2019 (SUMMER STAFF)

- Create recognizable and unique logos for the new Wolf Mountain Paintball camp and its in-game teams that create a rustic and gritty feel for the camp and its activities.
- Produce various videos of many purposes, including camper orientation, end-of-summer staff slideshow, and paintball rules video.
- Meet camp director's requirements and accept feedback to produce results in projects in a timely manner with the resources available.

### IGLESIA BÍBLICA BAUTISTA VIDA NUEVA, Castro Valley, CA —

Technology and Media Ministry Leader

AUGUST 2014 - PRESENT (ON-GOING)

- Create a brand identity of integrity and growth for the church.
- Manage various on-going projects in the ministry, including social media and our YouTube livestream service.
- Train new people to assist for our YouTube service and keep the church system up to date with the latest changes made in YouTube's livestream space.
- Direct and train the social media manager with the goal of using our Facebook page for outreach, growth, and engagement within the community.
- Provide the church and social media with logos, design assets, and other media to uphold the mission of the church.
